Bereavement Support Services

Bereavement Support Services

St Margaret's Bereavement Team offers a range of services for bereaved families, friends and carers of patients cared for by St Margaret's Hospice Care.

In order to help after the death of someone close to you, this leaflet explains some of the practical steps which need to be taken when registering a death.

Information and advice

Following a death, a Doctor will sign a Cause of Death Certificate. Medical and nursing staff will also be available to answer any questions you may have.

The death must be registered within 5 days (unless a registrar has given permission for this to be exceeded) and registrations are only made by appointment.

You can make an appointment to register a death by phoning Somerset Registration Service on **01823 282251** or online at www.somerset.gov.uk/births-marriages-deaths/deaths/register-a-death

When attending your appointment you will need to provide the following documents relating to the deceased:

- Cause of Death Certificate
- Birth Certificate
- Council tax bill
- Driving licence
- Marriage or civil partnership certificate
- NHS medical card
- Passport (you will also need to bring your own passport as proof of ID)
- Proof of address (e.g. utility bill/bank statement)

You will need to tell the registrar:

- Deceased's full name at time of death
- Deceased's previous names, e.g. maiden name
- Deceased's date and place of birth
- Last address of deceased
- Deceased's occupation
- Full name, date of birth and occupation of surviving spouse
- Whether the deceased was receiving a state pension or any other benefits

'Tell us once'
