# Welcome to St Margaret's Glorious Gardens 2024

In this brochure, you will discover all the amazing gardens you can visit between April and August!

At St Margaret's Hospice Care, we know how important our gardens are to the health and wellbeing of our patients and their families, providing places of relaxation and reflection. St Margaret's has been at the heart of the Somerset community for over 40 years, delivery high-quality, compassionate, and responsive care to patients facing a life-limiting illness and their families. **100%** of the care and support we provide is free of charge, and to continue to deliver this exceptional level of care we must fundraise approximately **£5m** each year.

So, **thank you** to the garden owners, sponsors, and volunteers – this campaign simply couldn't go ahead without you. We hope you all enjoy the season of 2024, getting out and about, appreciating these wonderful gardens!
