

Skydive Terms and Conditions

What do I have to do to take part?

1. Complete the online booking form on the [Skydive Buzz website](#).
2. You will be required to pay the £395 minimum sponsorship balance to St Margaret's Hospice before your skydive via an online giving platform (such as Just Giving or Facebook), cash, cheque or card.

How much does St Margaret's benefit from?

1. The minimum sponsorship of £395 includes the cost of the jump, which is £250. The remainder is donated to the charity, which means a minimum of £195 will come to St Margaret's plus any additional sponsorship money participants are kind enough to raise.

Are there any restrictions on who can take part and how fit they should be?

1. The minimum age is 16 years and there is no upper age limit. If you are aged between 16 and 18 you must obtain a parent or guardian's consent.
2. The standard upper weight limit is 15 stone / 95 kilos fully clothed. Please call Skydive Buzz if you are between 15 and 18 stone.
3. All skydivers should be in good health and possess a reasonable basic level of fitness. Certain conditions preclude participants from taking part.
4. The principal medical restrictions for all jumpers are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma, but if you are in any doubt, please contact SkyDive Buzz for further information. Pregnant women should not participate in the skydive.
5. Participants are responsible for ensuring they are medically fit to skydive before signing up to the event and must complete a medical declaration form (form 115A). It may be necessary to consult your GP and ask them to sign and stamp form 115B. All forms can be downloaded from the Skydive Buzz website.
6. If after reading Form 115A participant is still unsure, then you must seek advice from your doctor. Skydive Buzz staff cannot advise on fitness to jump. Medical concerns raised with SkyDive Buzz staff on the day of participant jump will result in participant being referred to participant doctor to have Form 115B signed and stamped. A rebook fee of £50 will also apply. It is participant responsibility to be truthful on your medical history.

What if I can't raise the minimum sponsorship?

1. We will provide you with a fundraising pack full of ideas on how to reach your target. You will also have the support of our Fundraising team to answer any queries along the way. If you do not manage to raise the full £395 required, you will need to cover the shortfall yourself.

What happens if bad weather affects the jump?

1. In the event of adverse weather, Skydive Buzz will contact all participants directly to advise. In the event of the skydive being cancelled, participants will be instructed to select an alternative date to suit them.
2. In the event of a participant cancelling completely they will forfeit their deposit, and all donations already raised for the charity will be retained.

Am I insured?

1. Insurance is provided by Skydive Buzz which is covered by the British Skydiving third party Liability Insurance of up to £2 million. Please note that this does not cover you or your dependents for personal injury including death.
2. All jumpers are strongly recommended to take out their own insurance cover for personal accident benefits to whatever level they consider appropriate. They can do this in conjunction with their own insurance broker or you can call Insure4Sport who specialise in skydive insurance underwritten by Aviva. Their single jump cover costs from £47.99. Contact on 0800 158 5530 or visit www.insure4sport.co.uk/sport/skydiving/player. If in any doubt you should seek independent advice.
